

How to Maximize Your Life!: 7 Natural Steps to Total Personal Happiness (Secrets to a Happy Life) (Volume 1)

Every day people all over the world wake up and wish they had a better life as they drive to a J.O.B. they dont like. They wish they had the courage to take that first step to their dream life, but even if they did, they dont know where to start. They see others riding the wave of happiness in their lives, but they only see routine and drudgery when they wake up each morning. If only someone would show them what to do and how to do it? How do you create the passion within yourself to push past your comfort zone and take action to transform your life into the way youve always pictured? You are in the right place at the right time. This book is your lucky break. It is the answer to your prayers. This entire book is about taking simple and easy MEANINGFUL-ACTIONS that will help you coax your mind into believing in yourself again. You will create your own map of detailed instructions on how to reach your destination easily and with joyful emotions. Before long, you will know without any doubt what you want to do, and then youll do it! Look inside and discover all the secrets to a prosperous and joyful life now!
