

God Finds Us: An Experience of the Spiritual Exercises of St. Ignatius Loyola (NONE)

In *God Finds Us*, author Jim Manney makes the Spiritual Exercises more accessible than ever by revealing his inner monologue of thoughts while he did the Exercises and giving everyday, relevant examples of sin, discernment, and meditating on the love of God. In his previous book, *A Simple, Life-Changing Prayer*, Manney presented the daily Examen to readers in a way that made them feel empowered to make it a part of their regular prayer life. Now he offers *God Finds Us* to share his experiences of making the Spiritual Exercises in a down-to-earth, accessible narrative. Manney includes pertinent biblical examples that help us make the connections between how we pray, view sin, and make appropriate life decisions today.
