

Moonlighting (Little Black Dress)

By day, Jess Dryden is a police officer. By night, she is an exotic dancer at Shoq nightclub. Holding down two jobs is not easy, but she's skint, and the money she earns dancing is too good to turn down. But when Jess's DI asks her to investigate some dodgy dealings at Shoq, her two lives threaten to collide, and the results could be explosive. And with her sexy police colleague Matt jumping to all the wrong conclusions, it's more than just her career that's on the line...
