

After Gods Own Heart: The Key to Knowing and Living Gods Passionate Love for You

Imagine what David felt like to be singled out and given an almost unfathomable spiritual identity to be seen by God as a man after His own heart. Davids secret is that he was energized by intimacy with God as a student of Gods emotions. He encountered the power of Gods emotions. It transformed his emotions for God. You can also become a student of Gods emotions and experience being energized by the Holy Spirit to a life of deep obedience and mature love. Invest time in understanding the emotions found in Gods heart for you, and your own heart will experience a glorious awakening.
