His back to the kids, the short man gestured toward a clearing. They aint here, Lug, he said. I tell you, the tall man replied, well find em sooner or later. One shot is all we need, and theyre gone. Ally glanced at Nick, worry creasing her brow. Do you think the horses are in danger? The curious Ally OConnor, 14-year-old Nick, and three other friends vacationing with their families at the Outer Banks, North Carolina, have heard stories about wild mustangs roaming the protected wildlife area on the island. This visit, theyve determined to catch a glimpse of the majestic horses. But Ally and Nick soon discover someone else is tracking the horses, too. Who are these two mean-sounding men? And is that a rifle one of them is carrying? As Ally, Nick, and the others search for answers, they find themselves in a dangerous situation. Now they must not only rescue the wild mustangs--but each other!
