

## BOOK for the JUBILEE OF MERCY: ANTHOLOGY 3 BEST SELLERS of SPIRITUALITY

Mercy... That's a word that I had a long time without listening. Our world these days need mercy. I once read that during the ancient times people used to say: A King that is not merciful does not deserve to be a King. That is something that we can apply nowadays. It gives you the capacity of comprehending others, their misfortunes and difficulties. It's the capacity of being one with the other and realizing that we all are the sons of God, so that makes us brothers. The word mercy comes from the Latin miser (miserable) and cordis (heart). We began the Extraordinary Jubilee of Mercy last December 8 of 2015. Pope Francis has said that this will be a year of growth in mercy. This is a gift from heaven that we should take advantage of. I have decided to participate and collaborate in the best way I know: Publishing an anthology of 3 catholic books that will help you to comprehend God's will and to live this year in which we are invited to do works of mercy.
