

An Unexpected Journey: New Beginnings

Twenty-year-old Bethany Morgan is running from an oppressive, cult centered childhood and a man obsessed to have her as his wife. This man is the leader of their church and her refusal to marry him has ignited a buried rage in him. Her beauty and rare talents make it impossible for him to relinquish his fanatical claim on her. Raised in a cult family she is determined to gain her freedom. Escaping one day, seeking help, she literally runs into a handsome trucker Jonathon West. Running from his own demons the last thing he wants is someone in his life. His need to keep her safe outweighs his fear of destroying her. So their journey begins. Can he help her and keep her safe? Can she heal his pain? Or will his dark, secret past and her need for freedom destroy them both?
