

# Tangled Web of True Love Tales

Tangled Web of True Love Tales is a modern-day tale, as old as time, about seven deadly women, and the men they love...to hate! The satirical saga begins and the drama continues as seven eclectic sisters embark on new chapters in their lives before closing previous pages. As the fatally flawed Houston born women go on their individual quests for love, identity and truthful purpose, they find themselves wrapped up in a sinfully tricky game of possessive power, pure illusions and venomous lies along the way. Only love can save the day!
