

# Mike and the Bike: A Carefree Story of A Boy, His Bike, and a Love of Adventure!

Creative, clever and even a bit heroic, the rhythmic rhyme of Mike and The Bike captures all the emotions a child feels getting ready for their first bike ride adventure. With bright colors, retro style art, illustrated text and underlying humor, this is a book grown-ups will love reading over and over to kids?both young and old. A great gift for any occasion, but a special treat for first time bike riders, birthdays and warm weather holidays, Mike and The Bike has a loving and adventurous message that creates a life-long love of bike riding and play. Mike and The Bike includes a full downloadable album of bike riding hits by author and Grammy Award-winning musician Michael Ward, and full story narration by cycling legend Phil Liggett. This fun and groovy music will get the entire family rocking and ready to roll! (Ward, Michael)
