

Immersion Bible Studies: Ezekiel, Daniel

Journey inside the pages of Scripture to meet a personal God who enters individual lives and begins a creative work from the inside out. Shaped with the individual in mind, Immersion encourages simultaneous engagement both with the Word of God and with the God of the Word to become a new creation in Christ. Immersion, inspired by a fresh translation--the Common English Bible--stands firmly on Scripture and helps readers explore the emotional, spiritual, and intellectual needs of their personal faith. More importantly, they'll be able to discover God's revelation through readings and reflections.
