

## The Right Sisters Bed (Twin Seduction)

Devlin has always had a thing for his coworker Misty. He's heard very little about her sister, and has never met her. Melissa had started going by Missy at the age of ten, and it drove everyone who knew the sisters nuts; trying to tell the identical twins apart, when they went by such similar names. Misty is going away on vacation, and has asked her sister to housesit for her while she is away. Devlin is unaware of Misty's plans, and decides that it is time to make his move on the sexy woman who was forever making sexually suggestive remarks to him. One night, he sneaks into her home and crawls into her bed seducing the soft sexy woman he finds in it, into a heated sexual encounter that rocks his world and leaves him stunned to find that the flirtatious bombshell he thought he knew so well is or rather WAS a virgin! Once he claims her hot body, he can't get enough and this new sweet, shy but sexually curious side of Misty intrigues and excites him even more than the easy almost slutty side he had known before. What will happen when Devlin realizes that he has fallen for Misty's twin? Will he turn his back on the best thing that had ever happened to him? Or will he realize that she was his destiny all along? Was it in fact the wrong sisters bed he had climbed into? Or was it the RIGHT sisters bed?
