

For Services Rendered (Mantalk)

Theyd worked together for years, but security expert Sam Deering never imagined what was beneath his plain-Jane employees baggy clothing. Then, on the night of Delilah Smiths twenty-ninth birthday, Sam no longer had to wonder. Tired of being a virgin, desperate to see what all the fuss was about, Del announced she was ready and Sam generously offered his services. Trouble was, once their relationship went from strictly professional to deliciously private, Sam knew it was time to reveal his secret past if he and Del ever hoped to share a future. After all, he may have taken her innocence, but it was her heart he was really after.
