

The Holes in the Wall

Boom! Boom! Boom! Boom! Boom!
Boom! Boom! Boom! Boom! KABOOM!
Bo had never heard anything like it before. Red and white dust was everywhere and big bits of the Wall crumbled away. Holey terror! shouted Mr Buzz in Bos left ear. Take cover! What would you do if your world was falling apart? Run, hide or try and save the day? The Holes all live in a gigantic stone wall that is beginning to crumble and fall. They are frightened if the Wall falls what will become of their home? Bo is the youngest Holey. He is asked to go where no Holey has gone before, beyond the Wall. He must seek the mysterious Builder who the Holes believe will save them. Bo discovers there is more to life than the Wall that houses them all. But what happens if Holes dont follow the rules? Well everyone follows the rules. Dont they?
