

## How To Handle Temptation

God allows us to be tested—even Jesus was tested. Sometimes He has a great promotion in mind for us and He wants to see if we're ready. Sometimes He allows us to go through things just so we can have more confidence in ourselves, and realize that not all of Satan's accusations are true. And sometimes, He permits us to be tested to establish with the enemy that we are not quitters, we are not going to back down, we are not going to give up, and we are not going to blame God—we are going to do what is right whether it feels good or not. The teachings contained in this powerful series will teach you how to stay one step ahead of the devil and win the war for your soul!
