

I Am Creating My Own Relationships

I AM Creating My Own Relationships Barry Thomas Bechta Who is your most important relationship with? How do you empower this relationship daily? Are you struggling in many of your relationships? TO THE READER All Relationships are the Perfect Relationships, no matter what appears to be. My Perfect Relationships last: 5 Seconds: Smile/Greet 5 Minutes: Conversation 5 Days: Acquaintance 5 Months: Short Partnership 5 Years: Longer Partnership 5 Decades: Life Long Partnership Love is a very remarkable thing. I use a bullseye world view for my life. In the centre of my bullseye is my Relationship with God. When I feel Whole and Complete in my Core Relationship with God, my Whole and Complete Core Forms the basis for all of my Relationship Rings. The key to each of my Relationship Rings begins with my Core Relationship with God. Like a pebble thrown into a pond, my Core ripples out into all of my Relationships. My 7 Relationship Rings My thoughts and feelings Always Attract all of my Relationships: My Core Relationships with God/Life/Energy My Intimate Relationships My Family Relationships My Friend Relationships My Community Relationships My Country Relationships My World Relationships If I wonder what my Core Beliefs are, I need only look at my Relationship experiences. All of the Relationships in my life mirror my Core Beliefs. Whatever I experience in my life, I believe in my Core without exception. I can Consciously Choose my Core and Consciously Create my Relationship experiences when I understand this. For many people, Intimate adult Relationships are Challenging. At their Core, these people feel hole and incomplete and therefore Create hole and incomplete Relationships. Only people who feel Whole and Complete in their Cores Create Whole and Complete Relationships. In my past,

when I Chose to be totally honest about my experience and beliefs within my Core, my life Changed drastically. Right Now when I AM Honest about who and what I AM within my Core and share my truth with each Relationship Ring in my life, my life blossoms. When I Choose to do what brings me the most Joy and Connection with God in my Core, I Attract people, places, things, and experiences that mirror my Core. As a result, anything unlike my Core moves away from my experience as well. All the Love I AM ever going to experience during my entire life, is Present inside of me Right Now. When I Consciously Choose to Open my heart fully to Gods Love, the buzz of Love is activated as my Joyous feelings. This buzz is God/Life/Energy flowing unhindered through me. God/Life/Energy awaits for me to Choose through my Free Will my Open Connection with Love. It is a Choice Only I Can Make. I Choose to Be the Love I AM. Thank you for being in my Relationship Rings, Barry Thomas Bechta
