

Janes Melody: A Novel

What boundaries would you cross for true love? That's the question a grieving mother must answer when she takes in a young street musician she believes can shed light on her daughter's death only to find herself falling for him. A sexy but touching love story that will leave you both tantalized and in tears, *Janes Melody* follows a forty-year-old woman on a romantic journey of rediscovery after years of struggling alone. Sometimes our greatest gifts come from our greatest pain. And now Jane must decide if it's too late for her to start over, or if true love really knows no limits.
