

Lifesaving for Beginners

Kat Kavanagh is not in love. She has lots of friends, an ordinary job, and she never ever thinks about her past. This is Kats story. None of it is true. Milo McIntyre loves his mam, the peanut-butter-and-banana muffins at the Funky Banana cafe, and the lifesaving class he does after school. He never thinks about his future, until the day it changes forever. This is Milos story. All of it is true. And then there is the other story. The one with a twist of fate which somehow brings together a boy from Brighton and a woman in Dublin, and uncovers the truth once and for all. This is the story thats just about to begin . . .
