

Martha Speaks: Martha and Skits Out West (Chapter Book)

Martha's family and Skits are going out west on vacation, and Martha doesn't want to be left behind. But that cargo hold where dogs have to travel sounds scary. Martha has to prove that she's no scaredy dog if she wants to go on the trip. After they arrive, Martha is so excited to go on a cattle drive through Montana. But Cookie the cowhand isn't so sure that Martha is fit for the trip after she causes a stampede. Can Martha show Cookie that she has what it takes to be at home on the range? Includes a glossary, instructions on creating your own travel journal, and a fun western word activity.
