

His Presence

Do you know what each individual should be seeking above all else in their life? Through an open vision, Carolyn Ruth Washington was called up into the heavens where she experienced the judgment seat of believers and the reign of Christ on earth. It is through her personal experiences, and her heart and soul, that she now reveals to others what God has revealed to her. With urgency she testifies and shares what she has learned and what we all ultimately need to be seeking, His Glorious Presences. Rejoice, again I say Rejoice!
