

## Dreams and Misunderstandings: A Novel

Jessie and Scott come from wealthy Wyoming families who wait for them to grow up, expecting one day they will marry. They don't factor in the attraction between Jessie and Rick, a half Navajo half English rancher and brother of Jessie's best friend. Their lives intertwine between the ranches of Wyoming, Jessie's Boston college and the English countryside but the menace of violence is never far away. Misunderstandings tear the lovers apart and they build their lives hundreds of miles away from each other. But a strange twist of fate brings them back together and the triangle is finally resolved.
