

## Never Let You Go (Romantic Suspense) by Patricia Pellicane

Mac has loved Sadie for as long as he can remember. Thanks to war injuries, its taken him longer than it should have to get back to her. Now, she has a serious problem. The woman Mac wants has a stalker whos determined to have her too. Sadie has loved Mac since she was a kid, but hes always kept his distance. She was too young. He was going off to war. There was no future for them. Now, shes done waiting. Done with the distance. She wants this man like no other. But someone else is determined to have her, no matter the cost. Will Sadie and Mac make it through the danger or will they be forced to let go of each otherforever? \*NOTE: Never Let You Go is a standalone book with an HEA and no cliffhanger.
