[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Morgan Anson is getting used to his new life with his human mate. The man is everything Morgan could have ever wanted, strong, kind, and honorable. As an omega werewolf with mismatched eyes, Morgan is considered a curse to his pack. Despite that, Jake Taylor hasn't thrown him to the curb. Which doesn't stop Morgan from being really nervous about telling his human mate that he is now pregnant. Jake at first thinks his sweet and shy lover is pulling a fast one, but is thrilled when he learns the truth, and is soon looking forward to being a father, but now he must do everything in his power to make sure Herrick, Morgan's abusive uncle and the alpha of the pack, does not find out. If he does, he might want to take Morgan back, and Jake will have to show him that even though he's an alpha, Jake's mate is not to be messed with. \*\* A Siren Erotic Romance
