

## By the End of August: Ginnys Story (The Tiger Family) (Volume 3)

Burned out after two years of teaching high school journalism, Ginny Tiger is ready to take on any job that allows her time to write a Civil War romance and a book about her Irish-Norwegian-Choctaw family and their supernatural experiences. An employment agency sends her on an interview with an old retired country lawyer in need of an assistant to help him write his memoirs. Nothing could be better, she assumes, until she arrives and is greeted by a handsome, sardonic butler. In spite of herself, she falls in love. Unfortunately she does nothing to inspire the trust of this man as she has one embarrassing episode after another. This is a fun-filled sequel to *The Happy Tigers*, *The Teen Years* and the prequel to the time-traveling episodes of her other-worldly older sister Linnie.
