

Pass It On (Hidden Diary)

Is There Really Such Thing as Luck? This weeks Diary Deed calls for Lucy and Serena to secretly share good things with others. One of those good things, although not a secret, is a trip to the Queen Mary with their moms. The two Faithful Friends cant wait to spend a night on the old luxury cruise ship. But at the back of Lucys mind is a chain letter she received that promises good luck if she passes it on and bad luck if she doesnt. Is the chain letter a good thing to be shared with others? And is luck real or not? Lucy soon discovers that doing good for others might not be as easy as she thinks.
