

A Perfect Game

Twenty-year-old Christopher Kit Pennington dreams of becoming a professional baseball player. He has the talent and the drive needed to excel in the sport, but finds his lack of interest in formal education impeding his progress. Despite threats from his wealthy father, who is an important alumnus and contributor at the private Christian college Kit attends, Kit is barely muddling through some of his classes. Not until the very handsome Professor Liam Dalton replaces one of Kits regular teachers at the exclusive school does higher learning take on any real meaning. * * * * * Word Count: 51,100 A Perfect Game is a re-edited, reformatted edition of a previously published work of the same name. The cover art and publisher have changed. This book is intended for an adult audience and therefore may be unsuitable for persons under the age of 18. Contains sexual content and elements of light BDSM.
