

In His Hands

Contains hardcore M/M sex. Intended for mature readers. I followed him into the bedroom. The light was really good, sunshine spilling through the sheer, yet obscuring drapes, and the bed was right in the middle of the room -- so I'd get to see everything. I hadn't realize I was staring at his ass so hard, how it fit so well in his jeans, until he turned around and I suddenly found myself not only caught ogling him, but now staring at his crotch. I raised my eyes to meet his. Pale frosted green, and so very sexy.
