

## Rhythms of Grace: Experiencing the rhythmic flow of the Gospel

Matthew 11:28-30 Are you tired? Worn out? Burned out on religion? Come to me. Get away with me and you'll recover your life. I'll show you how to take a real rest. Walk with me and work with me—watch how I do it. Learn the unforced rhythms of grace. I won't lay anything heavy or ill-fitting on you. Keep company with me and you'll learn to live freely and lightly. It's as simple as that. The work of the cross is a finished work. Rhythms of Grace is a real life picture of how that looks in our lives each and every day. Grace takes our mind off how bad we are and places the focus on how absolutely perfect Christ is. We don't need to be beat up by performance based religion. We need to embrace the cross that says you can't re-do what's already been done.
