

Rising Tide

Time, and most of Portugal, has almost forgotten Luminosa, a small fishing community on the Alentejo coast. A cluster of white and blue cottages huddle under the cliffs overshadowed by the great manor of Herdade Albatroz whose family has ruled the village since the days of Napoleon. Far off the tourist route, nobody visits Luminosa by chance. When a ruthless American racketeer turns up, the peaceful villages way of life could be ruined forever. But will other visitors--Piper Pines, seeking news of her long dead Portuguese mother, and Leo Shine, bereft of a father and brother accused of terrible crimes--help or hinder his objective to drag Luminosa into the twenty-first century?
