

Rhetts Branding [Scarlett Rose and the Seven Longhorns 3] (Siren Publishing LoveXtreme Forever - Serialized)

[Siren LoveXtreme Forever: Erotic Cowboy Paranormal Menage Romance, M/F/M/M/M/M/M/M, Longhorn shape-shifters, exhibitionism & voyeurism, bondage] Now that Scarlett Rose has been spending time getting to know her new shifter mates, her love for the Lenox cowboys has grown more each day. Problem is she barely even likes one of them. Since her arrival at the ranch, Rhett has been cocky, arrogant, and above all, too wound with passion to ever really open up to her. She knows he loves her and that his survival relies on it, but she wants more than just a physical expression of how he feels. Rhett has never been one to share his emotions with anyone, choosing instead to distract himself with the need to ease the ache in his jeans. Hes dominated by his raging libido, which has only gotten worse since Scarlett moved in. But he is aware that human mates need to be courted on a regular basis for their love to remain strong. So when Scarlett insists on taking a road trip to Dallas to investigate the person responsible for wanting her dead, Rhett sees it as an opportunity to spend some much needed one-on-one time with his sexy mate. Together they go through a whirlwind of extreme sexual adventures while embarking on an unforgettable road trip across the Texas plains. ** NOTE! You are purchasing Sirens newest serialized imprint, the LoveXtreme Forever Series. This is Book 3 of 9 in the Scarlett Rose and the Seven Longhorns collection. These books are not stand alone. Each is a continuation of the previous book and must be read in the numbered order. Each book may end on a cliffhanger but usually with a happy-for-now for the heroine and one or more men. The final book contains a happily forever after for the heroine and all her men. ** A Siren Erotic Romance
