

Stargirl Academy 5: Emmas Glittering Spell

Welcome to Stargirl Academy, the magical school in the clouds! Previously a rather old-fashioned establishment, it has been reopened by its head teacher to train children to be modern day fairy godmothers. Fairy Mary McBee selects a group of girls: Lily, Ava, Madison, Sophie, Emma, Olivia and Melody and Jackson who think theyre better than everyone else. The girls learn lots of spells shimmering, starry, shining, sparkling, glittering and twinkling ones which they use to fix problems and help people in trouble. For every successful mission they gain a star, and once they have six stars they will be fully qualified stargirls! Emma leads the fifth mission: she wants to help a family who have moved in two doors down the baby cries all night and the older children cant play in the garden because its overgrown. Mr Appleby would be the perfect person to help as his immaculate garden is right next door, but hes been complaining about the noise. Melody and Jackson perform some very risky magic and, against his will, Mr Appleby finds himself mowing the noisy neighbours lawn! Thanks to Emmas skilful glittering spell and Mr Applebys good nature, all is well, but Fairy Mary is furious with Melody and Jackson and they dont receive a star. The other girls however, are rewarded only one more to go!
