Favorable Reviews for: Lily B. on the Brink of CoolA pitch-perfect tween/teen vibe. Kimmel has it in spades.--Publishers WeeklyAn entertaining novel that middle-school girls will pass to their friends.--Childrens Literature A delightful heroine, sweeter than predecessors Georgia Nicholson and Adrian Mole-and hilarious.--Kirkus

Favorable Reviews for: Lily B. on the Brink of LoveAs witty and precocious as in the first book. . . . Lilys journal entries and advice columns, and her continued growth in learning to judge the character of would-be friends, deliver laughs and substance.--School Library Journal This exuberant comedy of middle-school Love at First Sight will capture and delight its target audience. . . . Funny and full of great language. --Childrens Literature
