[Siren Classic: Erotic Fantasy Romance, HEA] When a man of ice meets a lady of Light... Like a common criminal, the good girl librarian is thrust into the harsh realm of Limbo with nothing more than the clothes on her back. Alone with no knowledge of why shes been banished, Calysta has nowhere to go and one to turn to. She wants nothing more than answers and peace until a gruff, sexy-as-sin male gives her a taste of the real world. Cyril, loner and demon hunter, is sent to track and detain an unknown misfit. Filled with suspicion, the last thing he expects to find is an amber-eyed beauty tattered and unconscious. Theres no denying when he discovers her true nature that she sparks a desire like hes never known. And how much trouble could one sweet, sexy librarian cause? When danger haunts Calysta, Cyril will stop at nothing to keep her safe. But whatll happen when his only ally is a sworn enemy? \*\* A Siren Erotic Romance
