[Siren Menage Everlasting: Erotic Paranormal Consensual BDSM Menage a Trois Romance, M/F/M, demons, sex toys, HEA] Doms Javier Durante and Garrett Raleigh each dated Renata Fontanette before she left for college, but she never planned to return. Her plans changed, and now Renata is back and working at Phobes Playthings. The men are only too happy to pursue her again. But their first outing with her reveals disturbing news. A Santeria practitioner has come to Sybaris Cove to help lift the curse on the Raleigh and Durante families. But theres a catch. A descendant of Faith Fontanette, the woman who was sacrificed as a boon when the original curse was cast, must die. Renata is Faiths only living descendant. When the moment comes to summon the demons and ask for the curse to be lifted, Javier and Garrett offer an alternative solution. They would rather be cursed for eternity than give up the woman they love. Will it be good enough to finally end the curse, or have they sealed the fate of both families forever? ** A Siren Erotic Romance
