

The Road to Adventure (Road to Somewhere) (Book 3)

When Chee the chihuahua tells her friend Ratty about some puppies who've been locked up in a barn, Ratty dashes to the rescue. Woolly the fierce lamb, kind Cow, White Horse, Foxy Loxy, and a whole flock of sheep all pitch in. It seems an exciting adventure, but soon they find themselves in fearful danger. Told in Rattys own special words, this is a heartwarming story of animals sticking together against the unkindness of two bad men and winning! It is the third book about Ratty and his friends, following *The Road to Somewhere* and *The Road to the River*.
