

## Nevaehs Dream: learning to dance

Nevaehs Dream is the story of a young girl, born with a debilitating condition that prevents her from walking and playing normally with her friends. Nevaehs mother died at her birth, and her father has also passed away, and Nevaeh is being brought up by her grannie! Nevaeh dreams of running and dancing, but sees no hope of this ever happening, and is very sad. This is the story of how Nevaehs life is changed forever by her faith in Jesus!
