

Astrodynamic 2005 (Advances in the Astronautical Sciences Volume 123)

Proceedings of the AAS/AIAA Astrodynamic Conference held August 7-11, 2005, South Lake Tahoe, California. Published for the American Astronautical Society by Univelt, Incorporated. Includes a CD-ROM with full text of the volume in pdf format. This is volume 123 in the Advances in the Astronautical Sciences series.
